BRAND NEW, How to Shoot a Feature Film for Under \$10,000: And Not Go to Jail, Bret Stern, Right now, you're wondering, "Gee, what kind of information is in this cute yet stylish guide?" Sure, there are a bunch of other books that will take you through the filmmaking process, and if your name is Beaver Cleaver, you might be interested in them. But you should know that filmmaking is a war, and this book will lead you through it like no other. These pages contain information learned from years spent in the filmmaking trenches. Anyone with a credit card can rent a camera and buy film stock -- but who can: Rent a camera for two weeks and pay for only two days? Set the exposure on the camera without a light meter? Feed a crew of twenty with yesterday's chicken soup? Not many. You want more? Then turn the book over and crack her open. Still here? Fine -- we'll do it the hard way: This book will tell you how to shoot a sex scene, tell you what a stinger is. And if you need help writing your script, we'll give you some scenes to copy right into your screen-play -- and yes, we even provide the characters. In short, everything you need to know about filmmaking in the real world is in this book. Everything. We'll even help you select the proper baseball cap so you can look like a big-time director. Now start reading. Let's make film history.
