Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.As many boys into whose hands the present volume may fall will not have read my last year s book, *With Moore in Corunna*, of which this is a continuation, it is necessary that a few words should be said, to enable them to take up the thread of the story. It was impossible, in the limits of one book, to give even an outline of the story of the Peninsular War, without devoting the whole space to the military operations. It would, in fact, have been a history rather than a tale; and it accordingly closed with the passage of the Douro, and the expulsion of the French from Portugal. The hero, Terence O Connor, was the son of the senior captain of the Mayo Fusiliers and, when the regiment was ordered to join Sir Arthur Wellesley s expedition to Portugal, the colonel of the regiment obtained for him a commission; although so notorious was the boy, for his mischievous pranks, that the colonel hesitated whether he would not get into some serious scrapes; especially as Dick Ryan, one of the ensigns, was always his companion in mischief, and both were aided and abetted by Captain O Grady.
