Reviews

It is one of my favorite publications. Indeed, it can be playful, nonetheless an interesting and amazing literature. I discovered this publication from my father and he suggested this publication to understand.

ESSENTIAL GUIDE: RESEARCH WRITING (PAPERBACK)

Pearson Education (US), United States, 2012. Paperback. Book Condition: New. International ed of 6th revised ed. 216 x 140 mm. Language: N/A. Brand New Book. The Essential Guide: Writing Research Papers Across the Disciplines, based on Lester's best-selling Writing Research Papers, is the ultimate brief research reference. Pocket-sized and inexpensive, this research guide is priced to work as a supplement in any research-oriented course. Designed to be a guide for writing research papers both in first-year composition courses and in upper-level courses in all disciplines, the text features advice on the judicious handling of research materials as well as extensive coverage of electronic research. It remains rooted in the fundamentals of thorough library research but encourages and equips students to use the Internet as well as field research where appropriate. Numerous student samples and excerpts model different types of research papers from across the disciplines. Comprehensive coverage of the four most common documentation systems, reflecting the most current guidelines from both MLA and APA, increases the text's usability beyond the composition classroom.
