What were the purposes and benefits? The delegates gathered in the Constitutional Convention struggled through challenge after challenge as they debated the best ways to establish the greatest framework of freedom ever known to mankind, the Constitution of the United States of America. Arguably their greatest challenge was to devise a methodology to select outstanding statesmen to serve as the Chief Executive. In order to select the very best presidents possible, the Framers intelligently designed a unique system to nominate the very best candidates possible. This was the function of the original Electoral College System. The Electoral College today bears only a superficial resemblance to the intricate system the Framers designed for selecting presidents for the United States. Their original plan as outlined in Article II of the Constitution has been subverted, perverted, obscured, ignored and discarded by the machinations of party politics. Today the Electors meet only to rubber-stamp what everybody already knows-who won the election. The Framers system is totally unknown today. This book reveals the secrets of that ingenious process-a system that has remained hidden (or rather ignored) for over two centuries. Intelligent design versus evolution usually refers to the creation of man. We relate these same terms to the creation of our U.S. Constitution. Intelligent design requires much thought and consideration; evolution has no such restrictions. In bringing to light the ingenious design of the original Electoral College, this book meticulously examines the words of the Constitution, quotes from the Constitutional Convention, and Alexander Hamilton s defense of the system as expressed in Federalist No. 68. After the Framers intelligently designed the Electoral College System, the forces of...
