## The San (Paperback)

By Marina Logjes

Publishamerica, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.After a reunion of asthmatics from the Dutch Sanatorium (SAN) in Davos, the author decided to write her memoirs. She stayed in the San from 1965 to 1969, along with dozens of other peers, at the highest point in the mountains, surrounded by the healthy air, she battled her asthma. This book is about the feeling of powerlessness and the fight against this oppressive illness. The book gives anecdotes alongside a glimpse into the lives of children who were at the SAN during that time. An honest book about being sick and getting better. Marina Logjes (The Hague, 1954), due to her severe asthma, was sent to the Sanatorium in Davos (Eastern Switzerland), as a child. From the time she was 18; she wrote poems and worked as a nurse. Currently, she is an artist. Her paintings are described as dreamlike. She currently lives in Drenthe. I dedicate this book to anyone who has had to suffer from asthma. In particular, Joshua. I met him in the summer of 2003 in a Dutch family hotel, during our holiday in Austria....
