Usborne Publishing Ltd, United Kingdom, 2016. Board book. Book Condition: New. Benedetta Giaufret, Enrica Rusina (illustrator). 276 x 216 mm. Language: English . Brand New Book. Learning fractions and decimals is essential and requires plenty of practice, children will love the interactive approach of this book, which has lots of flaps to lift to find out the answers to a range of mathematic questions. This book makes understanding the principles of fractions and decimals easy with clear, descriptive pictures including a fraction wall, a conversion chart and a percentage box. Lift-the-Flap Times Tables book is also available in this series. \$A valuable resource book which helps children to visualise how fractions, decimals and percentages work. This a great way for children to tackle the subject in their own time, at their own pace.
