

## Tales of a Helicopter Pilot (Hardback)

Filesize: 5.47 MB

### ***Reviews***

*This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.*

## TALES OF A HELICOPTER PILOT (HARDBACK)

Smithsonian Books, United States, 2002. Hardback. Book Condition: New. 239 x 159 mm. Language: English . Brand New Book. Richard Kirkland is legendary for his P-38 Lightning missions in the South Pacific theater during WWII. After the war, he realized the potential of Igor Sikorsky s new flying machine, and he traded in his fighter-pilot wings for rotors. The nerve-racking chopper missions he has flown are the stuff of legend: scrambling to evacuate president Harry Truman after an unthinkable code red one alert comes over his red phone; bantering with the real Hawkeye at a MASH unit before flying into North Korea to rescue wounded soldiers. Equally riveting are his accounts of a medevac pilot in Vietnam who lands a ten ton CH-46 Frog in the jungle at night, with no lights, under fire, with only a soldier s cigarette lighter for reference; and an aerial tour pilot who routinely pulls people out of the water above, below, and right before Niagara Falls.
