Reviews

A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.
(Dr. Grady Jacobi DDS)

COSMETIC SURGERY: A FEMINIST PRIMER (HARDBACK)

Taylor Francis Ltd, United Kingdom, 2009. Hardback. Book Condition: New. New ed.. 236 x 160 mm. Language: English . Brand New Book. Practices of cosmetic surgery have grown exponentially in recent years in both over-developed and developing worlds. What comprises cosmetic surgery has also changed, with a plethora of new procedures and an extraordinary rise of non-surgical operations. As the practices of cosmetic surgery have multiplied and diversified, so have feminist approaches to understanding them. For the first time leading feminist scholars including Susan Bordo, Kathy Davis, Vivian Sobchack and Kathryn Pauly Morgan, have been brought together in this comprehensive volume to reveal the complexity of feminist engagements with the phenomenon that still remains vastly more popular among women. Offering a diversity of theoretical, methodological and political approaches Cosmetic Surgery: A Feminist Primer presents not only the latest, cutting-edge research in this field but a challenging and unique approach to the issue that will be of key interest to researchers across the social sciences and humanities.
