Createspace, United States, 2014. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Western democracies must go on the offensive to promote the continued development of free will, individual rights, human rights, religious freedom, and plurality as they evolved within the Judeo-Christian experience. The Eternal, The I AM, the ever present Lord of the universe sanctified free will when He created humankind in His own image. The protection and promotion of free will is the basic premise that all of our political, economic, social and religious values must strive to legally enforce within constitutional law in order to alleviate the current conflicts within the globe. It is only when humans are free that they can begin to create a society where peaceful co-existence is allowed to flourish. It is no accident that some of the greatest places to live happen to be located in those areas of the world where Jewish and Christian moral principles are entrenched in the constitutional make up of the freedom and rights that govern the people. By becoming human that part of the Trinity has sanctified humanity and the establishment of human rights for the entire globe. The west should not have to apologize for this reality and in fact must continue to promote the natural evolution of freedom, free will, and human rights where ever it is lacking. Sometimes this must take place within western societies themselves but more often than not it must be pursued between national governments. Reading this book will give people an appreciation of the philosophical significance of what it means to be a Jewish or Christian living in our current time period. This book will give an overall context for people who believe in democracy and individual rights to take...
