## Natural Deception: A Sobering Look at the Truth Behind the Organic Food Industry (Paperback)

By Joey Lott

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Is Organic Worth the Price? \$8 for organic milk. Sure, you could spend half as much, but it's worth it to know that you're supporting a small family farm where the cows can munch on green grass all day. Plus, you're not drinking nasty hormones and chemicals, and you're doing your part to save the environment. Seems like you're winning all around. But what would you do if that picture of the happy farm, the personal health, and the clean air and water turned out not to be so pretty? What if organic isn't all it's hyped up to be? The Questions That Will Change Everything What if organic produce only had marginally less pesticide residues than conventional produce? What if the organic, grass-fed beef cows ended up on the very same feedlots as factory-farmed, grain-fed beef cows? What if large swaths of the country were being taken over by huge corporate-owned farming operations-organic farming operations-that were destroying the landscape and depleting the soil? Organic is much more complicated than we've...
