

## Lectures in Geometry: Analytic Geometry (Semester I)

By Postnikov, M.M.

Editorial URSS, 1994. soft. Book Condition: New.

Encuadernación: rústica. After the Russian edition of this book appeared some of my fellow Lecturers asserted that many of the Lectures in the book are far too long to be physically delivered during the allowed two teaching periods. By the right of friendship I had to remind them that a Lecturer must prepare for his Lecture even if he has been lecturing for over a dozen years and make in advance an elaborate, practically minute-by-minute plan of every Lecture. It is necessary to consider beforehand the rhythm of the Lecture to be delivered what portions of it are to be read slowly, almost at dictation speed, and what may be said quicker and its pattern of intonation where to raise the voice and where to lower it. One also needs a joke somewhere about the middle of the Lecture to rouse the tired students and it should be prepared yet at home, and in every detail, up to a play of facial muscles. It goes without saying that one must plan in advance what to write on the blackboard and in what order and where, and when to delete anything, and coordinate all this with everything else....

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
