Opposite to this part of the quay, across the river, on a little island, we find the principal hemp and flax wharf and warehouses. A short distance above this is another small island, holding warehouses for landing and bonding brimstone and allum, and a few other articles fit to go there. From these quarters the lighters in proceeding to Cronstadt must pass by the Exchange, and then go through the Isaac Bridge on the Great Neva, the lower parts of the Little Neva, behind the Vassilievsky Island not being navigable. 153.---From the brimstone and allum warehouses we again ascend the river, and having passed through the second, called the Trinity Bridge (at the broadest part of the Great Neva) we perceive on the left shore (belonging to what is called the Petersburgh quarter of the town) the first building erected by Russians in this neighbourhood, namely, a little wooden house, preserved under a double roof, and surrounded by trees, which was the first residence of Peter the Great, while the foundation of St. Petersburgh was commenced in 1703. Next to it is the second or Gagavin hemp wharf and warehouses, to which is taken such part of the hemp...
