Reviews

It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Up on Crowleys Ridge A murder mystery By Wayne Hancock In January, 1966 a small group of American scientists traveled to Brazil seeking new and exotic plants to test for curative powers. It was a secret mission sponsored by a consortium of big American pharmaceutical companies who have pooled their talents and money to find a cure for cancer. They are determined to beat a group from Europe who are sponsoring a similar search in the rain forests of Africa. The stakes are huge for the winning team. The scientists traveled deep into the Amazon rain forests, talking to native tribes along the way. One small, obscure, tribe whose people have never even heard of cancer, showed them the plants the natives used and consumed daily to maintain their incredibly good health. The scientists collect over a hundred samples to take back to their lab in New York for testing. Among them is liquid taken from a plant that the natives wouldnt go near, claiming it brought death to any one who touched it. They collected the sample in a glass vial and labeled it sample 23. How did this small sample get to Northeast Arkansas and why did five people die before three men, calling themselves The Varsity Club, solve the mystery and bring the perpetrator to justice Read how in Up On Crowleys Ridge, the newest murder mystery by the author of Gotcha!, The Unlikely Predator, and 30 Days In May. Other Best Sellers By Wayne Hancock Gotcha! What happens when a riveting murder occurs among the good, yet ordinary, citizens of small-town America already trying to deal with the extraordinary events of a memorable era Find out in this, award winning, thrilling mystery...
