What Makes European Union Better Than Customs Union? (Paperback)

By Robert Pagginson

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Robert Pagginson presents his Empty Inside Series and the Best-Seller What Makes European Union Better Than Customs Union? - a novelty book where all pages are blank. Two Powerful Organizations, Two Different Societies and only One Choice for Ukraine - this is the dilemma each Ukrainian citizen is solving now. For years we've been searching a key to global integration. We saw it as panacea for all woes, hoping it would bring prosperity to the whole nation. But each time we looked towards West, nobody was expecting us even as an honorary guest. We were given tasks, ultimatums and not a slightest expression of interest in us as real partners. We were so chasing the idea of EU integration that at some point we stopped calculating what it would really give to each one of us. Moreover, we began losing relations with our main economic partner - Russia. And in our present circumstances, it is a suicidal tendency for our further development. European Union and Customs Union - are different in many ways, starting with political views...
