Rizzoli International Publications, United States, 2016. Other book format. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book. Contemporary Interiors showcases a wide range of twenty-first-century residences by world-renowned architects and designers. Filled with more than 300 color illustrations, specialist Philip Jodidio compiles from around the globe fifty of the most innovative homes designed and built within the last five years. Whether urban or rural, large or small, the book has projects that are international in scope: a summer home in Montauk by Roman and Williams, Houssein Jarouche s apartment in Brazil by Triptyque; a David Adjaye house in West London; a Luxembourg ecogreen house by Richard Meier; a Studio Mumbai Palmyra house in India; a Shigeru Ban-designed villa in Sri Lanka; a Tadao Ando house in Monterrey; Sean Godsell s Edward Street House in Melbourne, Australia. The book has hundreds of design ideas from minimalist white to cozy color that can be applied to each room of the house. Sou Fujimoto experiments with a house that is entirely open, without clearly defined floors; Werner Sobek s B10 House is designed to be dismantled in one day and rebuilt in the same time frame; Eduardo Arroyo s house in Spain has iridescent polycarbonate walls that change colors with the light; the Leaf House by Mareines and Patalano architects has a curving swimming pool that enters the house and passes below the dining room where it becomes a pond with aquatic plants and fish; Steven Holl s gallery and house in Seoul has his signature door that wraps into a corner, notched walls, and neo-constructivist lighting fixtures.
