

Corrective Admonition for Restaurant Nose Blowers: Countering Patrons Who Are Rude with Their Sinuses in Eateries (Paperback)

Filesize: 8.12 MB

Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

(Rene Olson)

CORRECTIVE ADMONITION FOR RESTAURANT NOSE BLOWERS: COUNTERING PATRONS WHO ARE RUDE WITH THEIR SINUSES IN EATERIES (PAPERBACK)

Createspace, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.(NOTE: This book is comedy - do not take it seriously!): While the solution I offer to the growing problem of restaurant-patrons blowing their noses openly within public dinning rooms, is simple and that I could have easily stated within a single paragraph, this would be a lost opportunity. I say this because my example and solution for only one problem we may experience during our stay at a public eatery, is simply that. an example. I am using what might be the single most disgusting act that can be perpetrated but not hidden, by a fellow restaurant-patron, being that of dinning room nose blowing. My purpose being to set a type of standard for correction of similar problems. Certainly we could instead report undesirable behaviors to the staff of a food service establishment. We could simply ask them to speak to the offending patron, requesting that they desist their gross or offensive activity. My question however, would be to ask if this would be the best way to send corrective admonition? I think not. . (JUST A TASTE OF WHAT YOU LL GET IN THIS OVER 3,000 WORD DISSERTATION!) TABLE OF CONTENTS: 1. Introduction 2. Rudeness of all Types Can Occur in Restaurants 3. Restaurant Boogie Fever - One of the Rudeness Biggies! 4. What You Would Like to Do (but Can t) 5. What You Can Do Within Legal Limits 6. In Conclusion The Author: Percy Pennington the Third, is a brilliant yet somewhat eccentric author who enjoys directing his literary excellence toward some of the deeper subjects affecting humanity. This includes his work of scientific instruction to fellow men on how to become chick magnets....
