And then when it was back, we were alone. A Euro-trip goes wrong when a man and his best friend, Samantha, suddenly find themselves as the last two people on Earth. It soon feels natural for them to unleash their desires on each other. And with an uninhabited world around them, it also feels natural to treat public places as clothing-optional and to make passionate love in some of the most beautiful places on Earth, like the Trevi Fountain. After a wild time in the most forbidden room in Rome, they soon discover they are not alone after all. Hans, a famous model, and his male lover are in the same boat as they are - and just as willing to go on an unrestrained spree of sensuality. Together, the couples do things they ve never done before. After all, with no rules and the world at their fingertips, they can do everything they want to do. *For mature audiences only.
